

Extract from the MSA/Forestry Commission Partnership Agreement

The Association will be permitted to carry out training sessions for marshals subject to the following conditions:

- 1 Sessions will be used only for the purpose of training marshals in the safe control of spectators.
- 2 No session will be authorised by the Association without the prior written approval of the Commission, which may include local conditions appropriate to the site, for example speed restrictions.
- 3 The Commission will not normally permit more than one session each in England, Scotland and Wales, during each Year.
- 4 The Commission will not charge the Association for such sessions, except as may be reasonably necessary for the repair of any damage to the Commission's land and property, or any other costs arising as a consequence of the training session.
- 5 All sessions will be restricted to a maximum of 5 miles of forest road or track:. The number of cars *will* be limited to 1 per 25 marshals, with a maximum of 4 cars participating in any one session.
