

## ARGYLL CLASSIC AND SPORTING CAR CLUB

As our old club Friends of the rest became redundant, with the road being reinstated at public expense the Committee decided to form a new motoring club to fill a void in the motoring calendar events in both mid and late season.

We have formed the new club with the intention of hosting at least three annual events namely, the Summer Saunter to be held in early July, and the Autumn Amble which will held on Sunday October 7<sup>th</sup>

Details will be published on our website shortly.

A major portion of all entry fees from these events will be donated to various charitable organizations.

Both these early morning runs will feature a scenic 70 mile run through Argyll followed by lunch at Inveraray Castle and non-competitive runs up the unique hill climb course in Glen Shira.

The third annual event we will be establishing is the Kames Kayper on September 8<sup>th</sup> this year, which is a non-competitive fun day featuring track time on the well established sprint racing circuit at Muirkirk, Ayrshire.

Full details of this event are already posted on our website

In order to appeal to as wide a range of classic and sporting vehicle enthusiasts as possible, we intend to revive classic car trialing in Argyll which will be held in early Autumn/Winter and will accommodate both specialist trialing vehicles and production trialing vehicles.

Full details of the club activities are posted on our website
