1711/05	<p>An item was raised by GMSC highlighting the increasing popularity of Targa Road Rallies and in this context, SACC are asked to investigate the possibility of running an Association championship for this type of events.</p> <p><i>2018 03 update: No progress made – C/FWD</i></p> <p><i>2018 06 update: Dave MacIntosh has looked into this but there are not very many events run by SAMSC member clubs and those that are tend to run on closed to club permits which are not allowed (by the MSA) to form part of any championship. There is however still an appetite for this and the item will be carried forward to see if these two issues can be resolved, perhaps in time for 2019.</i></p> <p><i>2018 09 update: See elsewhere regarding the discussion about a trial change to D4.5.4. While this will not at this stage apply to Road Rallies (and thus not Targa Rallies) there is still an aspiration to look into how this might be brought about and the action will remain open meantime. – C/FWD</i></p> <p><i>2018 11 update:</i></p>	Pete Weall
1711/06	<p>In the context of the recent MSA National Court case involving Jock Armstrong, an issue was raised by SSCC concerning marshal registration and in particular, the requirement to acknowledge that the MSA may take disciplinary action against a registered marshal. The chairman was tasked with writing to the MSA seeking clarification of what forms any such action might take.</p> <p><i>2018 03 update: No progress made – C/FWD</i></p> <p><i>2018 06 update: Still subject to ongoing discussion and not yet resolved to the satisfaction of the meeting. 1806/01	<p>Under the Treasurers report, and in the context of the budgeted deficit for the current year, SMRC asked if the Association should consider a sliding scale of membership fees. The SAMSC Executive will consider this ahead of the next AGM at which fees are agreed.</p> <p><i>2018 09 update: Not yet considered C/FWD</i></p> <p><i>2018 11 update: The SAMSC Executive have considered this option very carefully. It has been looked into previously and the same potential issues remain including the relying on self-certification by clubs, varying club membership year end dates etc. All things considered, the recommendation will be to continue the existing single level of membership fee at a rate to be proposed to the next AGM.</i></p>	Keith Butler
1806/02	<p>The Calendar Manager asked all clubs to put provisional dates for 2019 to him as early as possible so that he can identify, and attempt to resolve, any potential clashes.</p> <p><i>2018 09 update: While some dates have been given to Raymond, there are still significant gaps and clubs are asked to provide as many 2019 dates to him as possible.</i></p> <p><i>2018 11 update:</i></p>	All Clubs
1806/03	<p>Rory Bryant spoke about Disability Motorsport Scotland and in particular, their plans to raise the £5,000 needed to acquire a 2nd adapted vehicle which can be used to introduce people to motorsport. SAMSC member clubs are asked to bring the crowd funding scheme to the attention of their members and their own committees with a view to helping towards the cost.</p> <p><i>2018 09 update: Rory updated the meeting to the effect that SMS were working with Disability Motorsport Scotland to create a more robust development plan for their own activity which would in turn lead to a better platform from which to seek funding. The meeting agreed to await the outcome of this but were 'warm' towards the possibility of SAMSC making a donation in due course.</i></p> <p><i>2018 11 update:</i></p>	All Clubs

1809/07	<p>The report of the Rally Championship Steering Group meeting led to the Chairman being asked to write to the RCSG to reinforce the issue about being unable to confirm event dates so far in advance, especially those on MOD property.</p> <p><i>2018 11 update: Chairman duly wrote to Mike Broad, chairman of RCSG, and has had two lengthy conversations in response, albeit nothing in writing. The difficulty of forward date planning, especially for certain venues, was acknowledged as was the co-relationship, in terms of date planning, with events on the World and British Championship stage. The primary purpose of the RCSG is to try to avoid and/or resolve date conflicts which might in turn impact on resource availability including, but not restricted to, Safety Delegates and, eventually, the MUK tracking system. With this in mind, clubs are asked to try, as far as reasonably possible, to have at least an idea of dates looking up to 24 months forward. Specifically, the next two RCSG meetings are set for 19th March and 21st May 2019 to consider dates for 2020 ahead of the deadline to get 2020 forestry applications in by 1st June 2019.</i></p>	Pete Weall
1809/08	<p>There was a positive report to the meeting by the Student/Young Person Co-ordinator and Gillian from SMS also spoke about the current 'Freshers Week' activity. There are thought to be a number of colleges and universities with motorsport groups and all SAMSC clubs, especially those with a geographic base, were asked to liaise with Gillian and/or seek to make direct contact with their local institution.</p> <p><i>2018 11 update:</i></p>	All Clubs
1809/09	<p>In agreeing the nomination from SHRC to the Regional Timekeeper List, the meeting noted that it was some time since this list had been reviewed and asked that a copy of the current list be sent out with the minutes and reviewed at the next meeting.</p> <p><i>2018 11 update:</i></p>	Lock Horsburgh
1809/10	<p>An item from the Regional Committee report was discussed under AOCB relating to the provision of casualty transfer from events using the Scottish Ambulance Service. Rory Bryant was asked to investigate through his contacts if this issue was impacting on other sports.</p> <p><i>2018 11 update:</i></p>	Rory Bryant
