Ladies & Gentlemen

29_10_18

I am writing to advise you that I have received a letter of resignation from Rory Bryant and that he has found a role with the Scottish Motor Racing Club that will allow his career to further develop. I am sad that we are losing Rory's services but happy for him that the opportunity will still allow him to support the Scottish Motor Sports project in the coming years. I am sure you will concur that he has done an excellent job.

Rory has a notice period that will take him to the year end and allow the SACU and MSA to secure a satisfactory successor. Both Rory and the SMRC have expressed a willingness to be flexible over the hand over date but it will be in everyone's interest to work towards his departure at year end.

Separately I regret to advise you that my father in law died recently. I will be in Oslo on the date our next meeting is planned so, especially in view of Rory's departure and my own step away I think it best if we find another date so that I can be present. Rory will be in touch to see which alternative date will work for the majority.

Finally I ask you all to keep this confidential for a short time until SMRC has had the chance to inform its members.

Yours sincerely
