November 2012

1.0 Current balance at 01 November 2012 £9915.44

2.0 Clubs not paid for 2012. Last reminder 13/09/2012

Border Ecosse Car Club

3.0 Bank Account

The Royal bank of Scotland have succeeded in losing the third set of documentation that they previously said they had received. Lock has re-submitted the missing details along with the other details so hopefully this time they won't lose anything! The whole exercise has been most dispiriting.
