

SACC RTT CHAMPIONSHIP

June 2014 Report

As the MULL RTT had to be cancelled, due to lack of entries, the Stravaigers Gravel Sprint organised by Highland Car Club on Saturday 17th May was the first round in the Championship.

It was hoped to re-schedule the Mull event for later in the season but the only available date for the venue clashed with other events and so reluctantly Mull CC have abandoned the plan and will try again next year.

We have 13 registered competitors and 8 of them were in Fort Augustus to tackle Inchnacardoch forest. The weather can best be described as 'mixed', quite pleasant in the morning but heavy rain in the afternoon which made conditions slippery. Results so far are attached below.

The next round is at Coneyhatch Farm, organised by Stonehaven and District Motor Club, SR's have been published and two entries received to date.

Gerry Potter Championship co-Ordinator
