

The RSM Hire Ltd. 2022 Scottish Single Venue Rally Championship Report

When we were initially going to launch this championship in 2021 then COVID came along and we felt it was unfair on the sponsors to commit to a much shortened calendar therefore it was postponed to 2022.

The response we have had so far has far exceeded our expectations, we had hoped to have 20 plus signed up for the first event, to date we have 53 registered competitors, absolutely delighted in our first year.

A wet and windy Knockhill was the venue for the Grant Construction Stages, the first round in the championship, congratulations to Donnie McDonald on winning the event with Kyle Adam finishing 2nd.

Des Campbell and Steven Hay put in giant killing performances in very tricky conditions and both finished on exactly the same time, after the tie break stage Des was 3rd with Steven 4th.

The next round of the SSVRC is the DCC Stages at Ingliston Showground on Saturday 26th March and I am sure will attract a good entry.

The full SSVRC Points table is on the SAMSC website and on Facebook, the top 3 Drivers / Co Drivers after round 1 are

Drivers – 1st Des Campbell – 36 points	Co Drivers – Craig Forsyth – 36 points
2 nd Steven Hay - 31 points	2 nd = Cameron Dunn - 31 points
