OTHER NEWS

As the nights draw in, "12-Car season" is now in full swing, with the likes of 63CC, Highland CC and Solway CC recommencing their regular clubman night events, and Saltire RC running a successful event aimed at newcomers on 29th Oct.

HERO-CRA's Rally of the Tests returned to Scottish soil for the first time in 6 years on 6th-7th November. 8x crews took in lunch in Selkirk, tests at Bowhill House & Drumlanrig Castle, a night-time standard section over Dundrennan Ranges and overnight halt in Dumfries, before heading back south via Kershope & Kielder.

With precious little rest, their annual visit of the Land's End to John O'Groats Rally follows on 7th/8th Dec, this year running through the Borders, Lothians & Perthshire via tests at Charterhall, Raceland & Knockhill, to an evening halt at Aviemore. There then follows the long & hard night section up through the Highlands, including a 75 mile(!) regularity around Loch Ness, to the 10am finish in JoG... 26hrs after departing Hexham!
