

Hillclimb & Sprint Report, September 2015

We've managed to pull together a 3-car team for the Inter-association sprint to be held at Blyton Raceway on the 13th September; Colin Calder, John Munro, Stuart Sugden. With three very capable drivers, we have high hopes of a positive outcome!

Scottish Sprint & Hillclimb Championship;

Two of our three 2015 SSHC Championships have now been (provisionally) wrapped up, with only the September Doune hillclimb and the end of September Boyndie sprint double-header left to go;

- Scottish Hillclimb Championship; Les Mutch, GWR Raptor Suzuki
- Scottish Speed Championship; Ronnie MacGregor, Honda S2000

The Scottish Sprint Championship is expected to go to the wire at the Season-closing Boyndie Sprint.

The newly introduced D Division for Classic and Thoroughbred cars has been proven a success with increased numbers of entrants at most of our events. General level of entries is down from last year; average number of Championship registered competitors at events is at just over 32%.

Steve Marr

Chairman, Scottish Hillclimb and Sprint Championship

Lowland Speed Championship;

The LS Championship is progressing well with nothing specific to report.

David Baker

Lowlands Speed Championship Coordinator

Highland Speed Championship;

Nothing to report; Championship is ongoing.

Ian Thompson

Highland Speed Championship Coordinator
