

## **Cross Country Committee**

The Cross Country Committee has not met since the last SAMSC meeting. Membership of the committee in 2020 has been confirmed and I will continue to be on the committee into 2020. A further dates meeting has been held and 2020 appears to have far fewer clashes between major cross country events than this current year.

I have had some concerns raised with me by clubs about the recent changes to permits and licences and the impact of the permit fee increases on small club events such as Tyro Trials. I will be taking this forward to the next meeting.
