Association of
Motor Sports Clubs**

New Association Membership Sticker

A number of Association member clubs have their own, frequently liveried, vehicles and/or trailers which are used for various purposes including transporting club equipment.

A sticker, shown actual size below, is now available which we hope member clubs will consider displaying on their vehicle or trailer to show their membership of the Association.

A supply will be available at the meeting on 19 November or by post from the Treasurer (treasurer@scottishmotorsportsclubs.co.uk).

Just to clarify, the stickers are not intended for issue to individual club members.
