**Report to the SAMSC General Meeting, Tuesday 19 November 2019**

The 2019 Training programme is drawing to a close with a successful cross country training evening run on Friday 15<sup>th</sup> November and two further training events planned for this year, the weekend training for medical, rescue and recovery crews at the start of December and some training for senior race marshals in December.

The British Motor Sports Training Trust have notified the Association of the award of training grants for 2020 and the Scottish Association has been successful in 14 applications totally £17, 800 of potential grant aid. This includes the requests made to the association during the summer. Additionally bids have been made by AMRO from Recovery training, SDMC for rally marshals training, and SMRC for race marshals training. The outline training plan is enclosed.

Plans are underway to include a training event before the marshals winter social on February 8<sup>th</sup> 2020.
