

## **Scottish Sprint and Hillclimb Championship Chairman's Report March 2019**

The committee met last weekend and I am pleased to announce that we have 108 registered competitors for this years championship, 100 for the hillclimb championship and 102 for the sprint and 94 for the speed.

We have been advised by the organising clubs that following the recent blue book change some will adopt a one practice run only for their events but it will be club specific.

The committee agreed the production of a new championship sticker, which will give exposure to all our sponsors and should be available shortly.

Colin has decided that after "stepping in" to help out in the secretary's role that he will retire at the AGM this October so we are looking for an interested party to take over his good work, Colin has ensured a full handover for whoever takes the job, please let us know if you know of anyone or are interested yourself.

Most clubs report good levels of interest for their early events the ongoing problem being gathering enough marshals to hold the event.

Tim Thomson  
Chairman
