

Sevenoaks & District Motor Club

Club Announcement Tuesday 4th June 2019.

Martin 'Chin' Chinnery

It is with much sadness that the club announce the passing of Martin 'Chin' Chinnery who passed away peacefully at Darent Valley Hospital, Dartford on Monday 3rd June. As many of you already know, Chin had been in and out of hospital for some seven weeks suffering with gall bladder problems and sadly following a number of operations this resulted in major organ failure.

Chin had been one of the longest standing club members since the 1960's taking on just about every committee role in that time and tirelessly supporting the club at every single event. Motorsport was his main focus in life and his great passion was road rallying. His enthusiasm took him all over the country competing and organising, which lead him to volunteer his leadership skills and knowledge with both regional association and governing body highlights.

It is indeed a great shock to have to announce his passing and with no immediate family, his close friend and executor Andrew Kilby will be dealing with immediate concerns.

Chris Judge Chairman.
