### Proposed Regulation Changes for Consultation

Your attention is drawn to the relevant page on the Motorsport UK website where you can find links to proposed changes. We recommend that you use the blue form on the right hand side of that page – enter your email, tick the disciplines you are interested in - to register yourself to be notified by email of new proposals for your chosen disciplines. New proposed changes can appear and have the consultation period expire before the next regional meeting.

Listed below – by Specialist Committee – are proposed regulation changes currently available for consultation. The closing dates for consultation on these proposals are specified in the documents, along with the relevant contact details. Note the closing date for consultation on most of these is BEFORE the next SAMSC meeting.
