

Cross Country Committee

The Cross Country Committee met in June, with discussions focusing on safety at Competitive Safari and Winch Challenge events. The British Cross Country Championship has been relaunched with a successful event being held in Scotland in June,

One of the challenges in recent years has been the number of events with conflicting dates between the different club and regional championships impacting on competitor numbers in Scotland. A successful meeting was held during the summer and has reached agreement to avoid those conflicts in 2020.
